IN RE: Application of Original Orange Cab) ORDER
Company, 6000-A Two Notch Road,) GRANTING
Columbia, SC 29204, to Cancel Class) STAFF REQUEST
C Certificate of Public Convenience)
and Necessity No. 6086.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Commission Staff's request to cancel Class C Certificate No. 6086, granted to Original Orange Cab Company.

It has come to Staff's attention that Original Orange Cab Company has requested a cancellation of insurance policies on its vehicles, and that in fact, it has received said cancellation from Canal Insurance Company. Further, attorneys for Original Orange Cab Company state through letter, that the owner of Original Orange Cab Company has left South Carolina, and no one knows where to find him at this time. Investigation by Commission Staff reveals that the old location of the business where Original Orange cabs were once parked is now deserted. The Staff therefore comes before the Commission requesting revocation of Class E Certificate No. 6086 which was granted to Original Orange Cab Company.

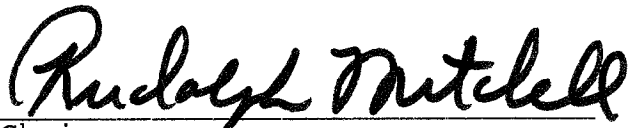

The Commission has examined this matter, and believes that it is in the best interest of the public if this Certificate is

cancelled. Clearly, the Company has no insurance, the whereabouts of the owner are unknown, and the original business premises are deserted. We do Order, however, that Staff notify the last known contact individual with notice of such cancellation, so that should it become necessary to do so, the Commission could reconsider its holding in this matter.

IT IS THEREFORE ORDERED THAT:

1. Class E Certificate No. 6086 granted to Original Orange Cab Company is hereby cancelled.
2. The last known Company contact person shall be provided with notice of this cancellation.
3. This Order shall remain in full force and effect until further Order of the Commission.
